President's Message:

Hello everyone and welcome to ASWA Seattle, Chapter Nine. My name is Carol Bacon, CFE and I am this year's President. We have a new slate of Board Members, Committee Chairs and member participants. This year will be a busy year and we invite you all to participate and add your spark to the future of our chapter.

Are you looking for a place to share experiences and learn new ones? How about make new friends and long lasting relationships with other professional women? Well you have come to the right place, because that is what we are about. And this month's Dinner Meeting was an excellent example of women celebrating one another, encouraging each other as they embrace new challenges and mentoring new members and young professionals during our networking time.

Most of our members have learned that our monthly dinner meetings are one of the few places they can come and participate in a safe and friendly environment that allows everyone to test their speaking, leading and organizational skills, join a committee to contribute their talents, or just come to share, voice ideas and share suggestions. It's also a place where we can spend quality time together while we earn an hour of CPE and enjoy a good meal.

At the July meeting, we had fifty-seven in attendance; four student-members and nine guests. The CPE topic was about ROTH IRA Conversions, a timely subject for those of us trying to navigate through the maze of economic turns and twists. Therese Govern, MBA, CPA & CFP engaged us and was able to shed light on the "who, what, where and when" about conversions. Also, Karen O'Brien came from the Bellevue Chapter along with Joe Hebert; all CFPs from trueNorth Financial Services LLC (yes the "t" is in small caps). If you weren't there, you missed out.

Our new and vibrant VP of Marketing, Sharon Lee, introduced a new program that celebrates our past and recognizes the women who founded and built our Chapter. Mary Ann Olmstead shared about *Ida Ezra, CPA* our founding president for 1941 - 1942. Laura Dodson shared about her interview with Mary Anne Schmitt, past president from 1975 - 1976. I encourage you to join us in September when we learn about another chapter in our history.

Sue Danbom our new Publicity Chair shared about our LinkedIn ASWA Seattle Group and encouraged everyone to take advantage of such a powerful social media tool. She has been dubbed the "Social Media Guru" by many of us. You can look forward to learning more from her in the near future.

Our new President-Elect, Marilyn Wilt, announced the beginning preparations for our 70th Anniversary where we will be hosting the Regional Conference in 2012! If you are interested in helping out in any role, small or large, contact Marilyn by going to the website and clicking on the *presidentelect@* link to share your thoughts, ideas, and hopefully your talents. There are lots of ways each of us can help out.

President's Message, continued:

In closing, I want to thank everyone that came to the July meeting and invite our guests to become part of our family. I personally invite all of our members to enjoy the fullness of your membership benefits and come to the dinner meetings and participate in various ways on committees and events. We have a lot of wonderful ideas to bring added value to your membership and it takes all of us to make it happen.

And don't forget, the August dinner meeting is our annual joint meeting with our sister chapter in Bellevue. The date is August 17th, which is a Tuesday. We normally do this in December, but due to too many past weather conditions, each chapter has decided August is a better month to cross the pond and share a night together. So save the date!

I look forward to meeting each of you in the near future.

Carol Bacon, CFE

President 2010-2011

WHO WE ARE, WHERE WE'VE BEEN AND WHERE WE ARE GOING

By Sharon Lee, Director of Marketing for the Seattle Chapter of ASWA

How many of you know the names Ida Ezra, Helen Maddex, Helen Wilkie or Mary Holland and their significance to this chapter? Well, that's about to change.

At the July 2010 Membership Dinner Meeting, we began a new program titled 'Who We Are, Where We've Been And Where We Are Going'

Our core values are to maintain our chapter's visibility, credibility and relevance. It is also important that we sprinkle getting acquainted with each other and have fun throughout the time we spend together.

We honor the women that blazed the trail, as well as those women who will take us into the future. The expectations are that the entire membership participate, which will allow us to continue the historical tradition for those that follow us. With your help, we plan to make this an ongoing part of our monthly dinner meeting program.

Mary Anne Olmstead, Seattle Chapter Historian, shared the following excerpts from "Seattle Chapter – 50 Years in Review" 1941-1990, Recollections of a number of past presidents of Seattle Chapter, ASWA, who met for lunch in 1990.

Verna Bell became the first woman to become a CPA in this state. Her certificate #50 was issued in 1912. Apparently she never practiced as a certified public accountant but was employed by an insurance company.

The State of Washington was the fifth state to adopt an accountancy act, which the legislature did in 1905. In 1942, at the time the chapter was chartered, the records indicate that there had been eight certificates issued to women in Washington.

At the time of the Worlds Fair in 1962, it was estimated that the State of Washington had more women CPAs per capita than any other state. A recent survey shows that four states had more women CPAs, but each of these had substantially larger populations.

At about this time, at a joint annual meeting of AWSCPA-ASWA, a member was asked why there were so many Women CPAs in Washington. The reply: "Because we help each other."

Please look for additional excerpts in the Members Only section of our chapter website as well as new member interviews conducted each month.
